## Studies

### **Ap academy, Stockholm** – *Higher Vocational Education Diploma*

August 2023 – Current year

Currently I am attending the game audio design course at Ap academy. We have learned how to produce both music and sound design for video games and trailers as well as how to implement those sounds.

### **Rytmus, Stockholm** – *High school diploma*

August 2020 – June 2023

In gymnasiet i went to Rytmus. There I specialized in Music production using logic, and learned how to record and produce music.

### **Kulturskolan, Tyresö** – *Drums and percussion*

2014 – Current year

I have practiced drums and percussion for 10 years in kulturskolan. I have also played in the ensemble there.

## Work experience

### **Ap academy, Stockholm** – *Sound designer*

April 2024 – June 2024

- We collaborated with The Game Assembly to create our own game, where me and 4 of my classmates made all the sound and music.

### **Kulturinspiratören, Tyresö** – *Composer and producer*

August 2021

- I composed and produced the music for the children's play *Dripp dropp drippelidropp* by Kulturinspiratören

### **Summer Musician, Tyresö** – *Stage performer*

June-July 2021

- We rehearsed and played music for different retirement homes in Tyresö.
